

Mail Tracking for Your Campaigns

Mail tracking now offers state-of-the-art features that normally cost hundreds or even thousands of dollars per month.

Be prepared for new calls and online leads by knowing exactly when your mailing campaign is hitting mailboxes down to the per piece level.

Mail Tracking Features:

- Track mail right down the individual addressee/individual
- Fully integrated with informed visibility and displayed graphically with Google Maps
- Exportable reporting by city, state and zip code
- Want to know if a certain individual received their direct mail piece? Search by name!
- Retrieve a full report of non-scans
- Dashboard shows stats in real time as well as predicted in-home dates and confirmed delivery dates
